

Aluminum Plant Cable Tray Accessories

Overview

Our Aluminium Cable Tray Accessories are designed for quick and easy installation. ABB designs and manufactures cable tray systems, including perforated tray, cable ladder, channel tray and strut (metal framing), directly from production facilities in Canada and Saudi Arabia. Combining local manufacture and distribution with an extensive product range, these facilities ensure we. RS offer a great range of high-quality cable tray accessories from industry-leading brands including Legrand, Cablofil International, Schneider Electric, Phoenix Contact and MECATRACTION. A functional cable tray system consists of various clamping, supporting, and splicing accessories in order to. • Expansion plates allow for one inch expansion or contraction of the cable tray, or where expansion joints occur in the supporting structure. • Furnished in pairs with hardware. Our cable trays are produced in fit for purpose materials like stainless steel, galvanized, aluminium and fibreglass (FRP/GRP) composites to suit any project type both offshore and onshore.
