

Huijue Fiber Optic PoE Switch

Overview

This switch provides 8 x 10/100/1000BASE-T ports, ports 3 to 8 PoE/PoE+ supported, 2 x 1G/2. OmniConverter 10/100/1000 and Multigigabit PoE Switches and PoE Media Converters enable distance extension over fiber optic cabling to network edge devices such as workstations, IP cameras and Wi-Fi access points. Integrating intelligent temperature control, power supply, lithium battery and AI technology Huijue Net cabinet adopts modular design, simple installation, easy expansion, rich accessories, and meets the. This product is compatible with all mainstream cameras on the market and is widely used in small and medium-sized network access layers, aggregation layers, and core layers. It is compatible with computers, printers, network cameras, wireless APs, and can expand multimedia transmission systems. As a leading manufacturer and supplier of fiber optic components, we consistently provide high-quality fiber optic components, fiber optic active connectors, optical splitters, fiber optic adapters, fiber optic cables and other products. 657a2, optic fiber, single mode. Huijue Networks is a high-tech service manufacturer integrating intelligent network communication equipment and an integrated application of computer intelligent network communication systems. In-depth knowledge of the industry and research and development of innovative technologies, business.
