

US Fireproof Cable Tray Price Inquiry

Overview

Find top-rated fire resistant cable trays for sale with customizable options. Click to explore verified suppliers and get the best deals in 2026. Atkore's US Tray was established in 2012, as an American manufacturer of made-to-order cable trays that are built per NEMA standards and certified by UL. We offer modern, innovative, and technically advanced cable trays, tray covers and wire management accessories, support, and logistics management. Selecting the right fire resistant cable tray requires a methodical approach that balances safety, performance, and total cost of ownership. A fire-resistant cable tray is a critical component in modern electrical infrastructure, designed to support, organize, and protect power, control, and communication cables. MP Husky is a founding member of the USA Cable Tray Institute and the leader in US cable tray systems and cable support systems.
